

### Saint Paul Audubon Society's American Kestrel Nest Boxes

Box ID	Location	Coordinates	Installed	2012	2013	2014	2015	2016
<b>BVNS01</b>	Bruce Vento Nature Sanctuary	44.951985, 93.075003	2/15/2012	Five young banded 6/15; fledged by 6/28	No nesting	No nesting	No nesting	No nesting
<b>LEPR01</b>	Lake Elmo Park Reserve	44.995865, 92.898490	4/16/2013		Starlings nested in the box. Cleaned box and replaced chips in fall.	Four eggs--did not hatch because starlings removed wood chips (in early spring). Cleaned box and replaced chips in fall.	Discovered chips missing on 5/5; installed excelsior a few days later; no nesting.	5 eggs on 5/12. 5 young on 6/10. At least 4 recently fledged young were in the area on 07/08.
<b>LEPR02</b>	Lake Elmo Park Reserve	44.975947, 92.895306	4/3/2015				4 eggs on 5/8; 4 young on 6/12; fledged by 7/8.	5 eggs on 5/12. 4 young were banded on 6/16. I returned from Oregon too late to observe fledglings.
<b>BELW01</b>	Belwin Nature Center	44.94962, -92.79104	10/13/2015					No nesting
<b>BELW02</b>	Belwin Nature Center	44.93912, -92.79363	10/13/2015					No nesting
<b>TROUT01</b>	Trout Brook Nature Sanctuary	44.97407, -93.09287	3/26/2016					No nesting
